Extended study student fee Standards

1. Students will be temporarily charged for 6 credits based on the tuition rate of their affiliated college.
2. Fees for selected courses shall be charged according to the tuition standard of the department offering the course.
3. If the total number of selected credits (including courses from the home department, other departments, or the Teacher Education Program) reaches 10 credits or more, the student must pay the full tuition and miscellaneous fees of their original department. No additional fees will be charged for Physical Education, Military Training, or Teacher Education Program credits.

Fee Adjustment and Refund (including additional fees after course selection or refund after course withdrawal)

- Registration fees are temporarily collected.
After the course add/drop period ends (one month after classes begin), adjustments and refunds will be processed based on announcements made through campus messages, official university email, and the Office of Finance website. Please pay attention to related information.
- If a student is unable to continue attending classes due to special or personal reasons and has completed less than one-third of the semester, refunds or adjustments will be processed in accordance with Article 15, Paragraph 1 of the Tamkang University Course Selection Regulations.
However, if the student has completed more than one-third of the semester, tuition and credit fees will not be refunded.
